

## Project Results

### **1. Research Report on CURRENT NEEDS and CONDITIONS of School Counsellors**

**Explore** and **Revise** the personal and professional needs of **School/ Career Guidance Counsellors** within each of the participating partner country. The comprehensive literature review is now available online and consists of: **National reviews** related to career and educational **guidance policies, training methods, Competencies, responsibilities, guidance services** within the secondary education system, results of **qualitative and quantitative data** from questionnaires administered to school Counsellors.

### **2. TRAINING PACKAGE**

It contains one user-friendly Guide for Trainers – School Counsellors and one Training Handbook including the **4 Positive Psychology modules** and practical activities. These are **Positivity, Resilience, Strengths, Meaning** which focus on developing and enhancing employability and life skills to students and young adults.

### **3. ONLINE PLATFORM**

The online training platform is in the form of an IT training tool which contains information about the trainers, training methodology and training materials. All the content of the SUCCESS educational package (School Counsellors' Guide, the training curriculum, and supporting educational resources) is accessible at [www.successlearning.eu](http://www.successlearning.eu) and through the SUCCESS Project website.

# Final Conference in Vilnius, Lithuania

## June 2019

The final conference in Vilnius on the **10th of June, 2019** aimed at presenting the project and **disseminating its outcomes and outputs**. Each project partner has presented and discussed the role of counsellor at school, its theoretical context, practice and needs, the problems and challenges that career/school counsellors are facing in each of five countries. During the conference the SUCCESS Guide and Handbook for School Counselors and High School Students was presented. Moreover, SUCCESS Online Educational Platform for counselors was presented.
